

WELCOME TO THE NZ SCHOOL OF BUSINESS & GOVERNMENT

We are a forward thinking private tertiary institution specializing in providing students with the opportunity to study internationally recognised courses that will enhance their personal and professional development.

The New Zealand School of Business & Government (NZSBG) is registered as a private training establishment with the NZ Qualifications Authority, and is accredited to deliver two of New Zealand's most popular business qualifications – the NZ Diploma in Business and New Zealand Institute of Management Diploma in Management .

NZSBG takes pride in keeping pace with employment and relevant industry developments. This ensures that our courses are up to date with current trends.

We encourage a diverse cultural mix of students and staff and support the concept of equal opportunity. We respect all religious faiths.

"Our school provides an educational experience that means you get a valuable and internationally recognised qualification, while becoming fluent in the language and values of a modern market economy. We help you find positions that support your chosen career path in business or government, and give you the individual respect in which your talents can flourish."

Why study the NZIM Dip Mgt and/or NZDipBus?

Both diplomas are widely recognised by employer and professional groups. They are approved by the New Zealand Qualifications Authority and the NZ Tertiary Education Commission. The diplomas are ideal for career-minded people seeking a practical, flexible, high-quality business qualifications.

Our diplomas open doors worldwide

The NZIM Dip Mgt provides a thorough grounding in business and management practice appropriate for people wishing to enter management roles in business. The qualification is designed as an exit point from the NZ Diploma in Business for those students who wish to have a basic understanding of management practice but do not wish to specialise in business studies.

With either diploma you can now work or study almost anywhere because New Zealand is a signatory to the Lisbon Convention and your New Zealand qualification has equivalent status in each of the 50 Lisbon Convention countries.

Good Learning

Students work on their programmes in roomy, comfortable open-plan office spaces and classrooms. The flexible learning, and individualised teaching programmes mean that students can fit their part-time work in around their study. Experienced tutors help all students make steady progress through the programme.

Good Jobs

Students at SBG have found a variety of jobs in retail outlets, on the railways, in fast-food outlets, service stations, and commission sales. The minimum wage is \$NZ 12.50/hr (more than \$10.00 in the hand), but by working in weekends and public holidays, the effective wage can be as high as \$30/hr.

Why study with us?

The competitive edge

In today's fast moving global economy, employers expect new graduates to be fluent in any culture and have developed the ability to interact, adapt and integrate within any working environment.

We arm you with these attributes, enabling you to gain a competitive edge when you enter your chosen profession.

All our diploma papers encourage you to put into practice the theories you're learning about. This 'know how' rather than just 'know what' gives you a true competitive edge in the job market.

Your options once you have completed your diploma
